DENISE CRAMER

ABOUT ME

I am a service- and detail-oriented frontend development student with experience in customer service, administration, sales, and hospitality. I am currently working as a Wellness Coordinator at Ystad Saltsjöbad while studying frontend development at Noroff.

I am experienced in customer communication, problem-solving, scheduling, and administrative work.

I am passionate about user-friendly digital experiences, and I am continuously developing both my technical and professional skills.

ERFARENHET

Ystad Saltsjöbad, Ystad, Sweden – Wellness Coordinator

MARCH 2026 – PRESENT

- Coordinate guest bookings, wellness experiences, and administrative tasks within the wellness department.
- Handle customer communication via e-mail and phone.
