JUNE 06 2026

To whom it may concern,

My name is Denise Cramer, and I am currently studying front-end development at Noroff while working as a wellness coordinator at Ystad Saltsjöbad in Ystad, Sweden.

I have a background in customer service, administration, sales, and hospitality. I enjoy working with both people and problem-solving. Through previous roles and running my own business, I have gained experience in communication, organisation, and building positive customer experiences.

Alongside my studies, I am developing skills in HTML, CSS, JavaScript, responsive design, accessibility, GitHub, and Figma. I enjoy creating user-friendly digital experiences and continuously learning new technologies and tools.

I see myself as a positive, reliable, and curious person who enjoys new challenges and opportunities to grow. My combination of technical studies and customer-focused experience has given me a strong foundation for working in both digital and service-oriented environments.

Thank you for taking the time to review my portfolio and application materials.

Kind regards,

DENISE CRAMER
